

Hi Wayne,

We would like to thank RCMP Veterans for their generous contributions towards this year's Adopt a Village project. We received an incredible amount of donations, in total filling 362 boxes and weighing approximately 5000 lbs. RCMP Air Services provided a dedicated flight full of donations directly to Kinngait on December 14th with myself aboard. The first load of donations was met with smiles and appreciation, and we look forward to the remaining donations reaching the families of Kinngait (they are being shipped through cargo and other means as we had too much!).

You can see an article by the Gazette at the following link:

<https://www.rcmp-grc.gc.ca/en/gazette/northern-communities-receiving-an-extra-dose-cheer-part-adopt-a-village-initiative>

Group photo attached L to R: Me (Cst. Alison Morris), Cst. Tyler Civico (Acting Detachment commander in Kinngait), Marianne Emond (Social Services), Joanne Weedmark (Director of Recreation Kinngait), Johnnybou Ashevak (Director of asset management), Sagiak Pudlat (Recreation coordinator), and Sheekjuk Ottokie (Labourer).

I also attached photos of some of the donations and a newsletter provided to me by Joanne Weedmark after they received the plane load of donations.

Thank you so much and happy holidays,
Alison
