Everyone came together immediately, because that is what "F" Division does. I just met with 6 cadets who are graduating on Monday and coming to "F" Division. They are so excited to be part of the outstanding team here. It is certainly a privilege to lead such an incredible team.

Thank you for your message. I really appreciate it as does the rest of my team.

Subject: Message to A/Comm. Rhonda Blackmore

Good morning, Rhonda.

I have watched in earnest the events that have unfolded in Saskatchewan over the past few days, and I just wanted to pass along a note of thanks to you and the members of "F" Division who were involved in this search and investigation.

There is no doubt this has been very trying and difficult for all of those involved and particularly the investigating members as well as the surviving victims and families of those who suffered most.

You showed tremendous leadership, especially by appearing in front of the cameras early on, and this was extremely important. I applaud you for doing that. Your personal involvement was critical and something the people of Canada deserve to see of our national police force.

On behalf of the RCMP Veterans Association, I thank and congratulate you and all of the members of "F" Division for a job very well done.

Sincerely

A.P. (Sandy) Glenn, National President
