

**UPDATE - Recruiting for Ottawa Division
RCMP Veterans' Association, Executive 2023**

Ottawa Division is still seeking individuals within our Divisional membership to volunteer for positions that are becoming vacant as of January 1, 2023. We need volunteers within the organization to assist those that are presently serving the Division.

This is a great opportunity for YOU as a Member of the Association to volunteer to work with other members of Ottawa Division to help meet the needs of our Association community. Prerequisites require that you be an active member in good standing of the Ottawa Division Veterans' Association (ODVA) and that your membership dues are up to date.

Presently, we are still in search of individuals to fill very important rolls within Ottawa Division. There is an urgent need to fill the position of **Treasurer** and that of **Division Executive Officer** for the coming term. Without these key positions being filled, means that something else does not get done, and that would be unfortunate. The incumbents of some of these positions have offered to serve for another term but if you are interested in serving in a particular area, we would appreciate you letting us know.

At this time, we want to renew and rejuvenate not only ourselves as individuals but do the same with our Association. I am therefore asking each of you to consider offering to serve as we cannot operate effectively without your assistance. The Division Executive Committee meets once a month except for July & August.

Those who wish to submit their candidacy for a position or would like more information on the positions and roles, you are asked to send me an email to: ottawa.president@rcmpva.org or call me at (613) 794-9336.

Closing date for submissions is **November 30, 2022** as our Annual General Meeting will be held by mid December where the nominations and elections are normally held.

From the bottom of my heart, thank you for considering working with us in making a difference in the lives of others in this Veterans' community of ours.

Be safe, be healthy, be kind.
