PRESIDENTS' CORNER—Le Coin du Président

Another season of Division activities has just started and this year we did it

in grand style. On the 12th of September, our first guest speaker was Grete Hale, President of the Board of Directors, Beechwood cemetery. What a marvelous speaker and story teller!! Her presentation was highly appreciated and she received a standing ovation.

The turn out for this first meeting was excellent with 73 members and 11 spouses in attendance. We look forward to having more of you attend and participate.

The annual golf tournament was held on the 28th of August at the Hylands Golf course. It was a resounding success with 138 golfers participating. With your help and the help of our sponsors we raised more than \$12,000 to support our commitments to the RCMP National Memorial Cemetery and the RCMP Pipe and Drum Band. On your behalf, I want to thank all those volunteers who gave up their time and energy to make these events such a success.

This season we are planning to have exciting speakers, social events and shorter business meetings. In particular, Guy Thatcher, author of "A Journey of Days" will speak at the November meeting. Guy recounts his pilgrimage on the Camino de Santiago de Compostela.

Put your dancing shoes on and join the gang for our fall Dinner and Dance at the General Mess on September 26, being held in the General Mess.

On September 27 is the 32nd Canadian Police and Peace Officers' Memorial

Service on Parliament Hill. Please join the Division Troop in the march or attend the event on the Hill.

The Ottawa Division of the RCMP Veterans' Association, the RCMP and the Beechwood Cemetery Foundation, cordially invites you to attend the 5th Anniversary Ceremony of the establishment of the RCMP National Memorial Cemetery at Beechwood. Please join us on October 15th, 2009 at 11:00 am.

I look forward to seeing all of you at one of our meetings, coffee club or functions over the coming year. If you are interested to be part of the Executive or help on one of the committees please send me an e-mail or call. Being part of the veterans' association is simply a continuance of our friendship and camaraderie that we enjoy being a part of the RCMP family.

Yours in friendship,

Al Rivard, President, Ottawa Division

Une autre période d'activités vient de débiter pour notre Division et nous avons amorcé cette nouvelle année de façon grandiose. En effet, le 12 septembre dernier, nous avons le plaisir de recevoir notre première conférencière de la saison, Grete Hale, Présidente du Comité de direction du Cimetière Beechwood. Quelle conférencière et quelle conteuse extraordinaire!! Sa présentation a été très appréciée et lui a valu une ovation debout.

Cette première rencontre a connu un franc succès avec la participation de 73 membres et 11 épouses. Nous espérons vous voir nombreux et nombreuses lors de nos prochaines réunions.

Notre tournoi de golf annuel a eu lieu

le 28 août 2009 au Club de golf Hylands. Nous avons connu un succès retentissant avec la participation de 138 golfeurs. Grâce à vos contributions et à celles de nos commanditaires, nous avons amassé plus de 12 000\$ qui nous permettront de respecter nos engagements à l'endroit du Cimetière commémoratif national de la GRC et de l'Orchestre des cornemusiers et tambours de la GRC. En votre nom, je veux remercier tous les bénévoles qui ont contribué de leur temps et de leur énergie et sans lesquels nous n'aurions pas connu un tel succès lors de ces événements.

Au cours de la prochaine saison, nous planifions d'autres conférences sur des sujets fascinants, des activités sociales et des séances d'affaires de plus courte durée. Notamment, lors de notre rencontre du mois de novembre, nous recevrons Guy Thatcher, auteur de "A Journey of Days", qui nous parlera de son pèlerinage sur le Chemin de Santiago de Compostelle.

Chaussez vos souliers de danse et joignez-vous à la troupe lors de notre "Souper dansant" qui aura lieu le 26 septembre prochain au Mess général. Le 27 septembre prochain aura lieu le 32^{ème} Service commémoratif en l'honneur des corps policiers nationaux et des agents de la paix sur la Colline parlementaire. Je vous invite à vous joindre à la troupe de la Division lors du défilé ou à être présents sur la Colline parlementaire pour assister à la cérémonie.

La Division d'Ottawa de l'Association des Anciens de la GRC, la GRC et la Fondation du cimetière Beechwood vous invite cordialement à participer à la cérémonie du 5^{ème} anniversaire de la création du Cimetière commémoratif

HMS BARHAM

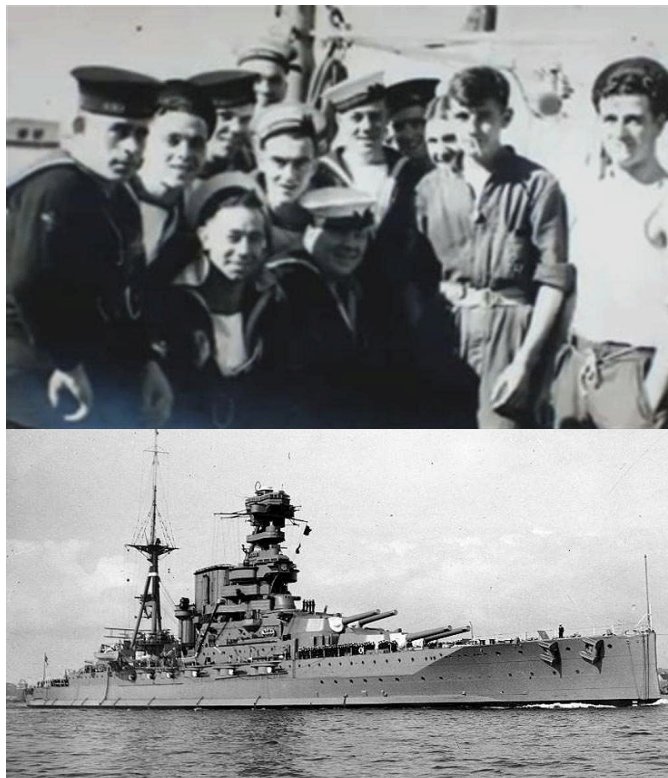

Bill Gidley
Executive Director, RCMP Veterans' Assoc.

Bill shared the following story World War II story about his father's close call with the Grim Reaper. I asked him to give me a short write up for circulation. Please check out the HMS Barham on the youtube link at the bottom of the page.

My dad Bill Gidley, joined the Royal Navy at age 16 in 1939. When he was 17 years of age he was on board the Royal Navy battleship "His Majesty's Ship" (HMS) Barham. [Dad is the sailor on the right] There were about 1300 crewmen; mostly boys, on the ship.

They were in the Mediterranean Sea as part of a large convoy. My dad was a morse code telegraphist and had just given his headset to his friend who took his place on shift and my dad was on his way to the deck with a cup of tea and sandwich at the end of his shift. At this time a German submarine fired 3 torpedoes into the huge battleship Barham.

Crew members were streaming up the ladders to get off the ship. Dad noticed a series of ladders that were vacant and quickly made it topside. The ship was listing at quite an angle and the magazine caught fire and blew up the entire ship. Anyone below deck was immediately killed and were many who were on the deck as well. Dad found himself in the water and even though there was room in lifeboats that actually were able to be launched, he felt that the injured members of the crew needed the boat more than himself and he remained in the water until he was picked up some 5 hours later. The sonar operators on the Barham had heard the "ping ping" on their sonar sets, however, they did not believe that a submarine would dare enter the convoy's midst. This proved to be catastrophic for the crew.

I believe there were 888 members who died that day. The British government decided not to mention anything about the loss of this battleship with so many men, therefore nothing was published about it for some time. My dad was taken and left with a "survivor" family for 6 months in Durban, South Africa. In 1990 on the 50th anniversary of the sinking of the Barham, Dad went to Durban and found the remaining members of this family that took him in, including a lady whom he was interested in when he was a boy....and obviously never forgot her. He made two more trips to Durban later on in the 1990's.

I have attended reunions of the survivors of this sinking and learned a bit more. The submarine (U-Boat) Commander after the War moved to West Vancouver and resided near my aunt and uncle - 3 streets away; and I used to walk my dog past the U-Boat commander's home many times without knowing at the time. At one of the Survivor reunions, I learned that the Barham Survivors "Executive Committee" were intending to invite the submarine commander to a reunion as they felt he was not a Nazi, but a German sailor fighting for his country, and unfortunately for many people, a skilled captain. There was a meeting of the survivors and during the "vote" there were more "nays" than "yays" resulting in this invitation never materializing.

On a video I have at home of this event the narrator says that this was the most "horrific explosion ever caught on film up to this time" and adds that most of the persons killed were mostly boys - "Rest in Peace Barham" Bill Gidley,

GOLF TOURNAMENT 2009

Dan Carroll

I can't think of a better way to spend a beautiful summer day than with friends on the golf course.

The sun was warm, a light breeze, the course was in great shape, and the friends were many! That's the kind of day it was on Aug. 28, 2009 at Hylands Golf Club in Ottawa at Ottawa Division's Annual Golf Tournament. And from all reports the Golf was pretty good as well!

While GOLF is the main reason that we all gather on this day, one doesn't have to look too far to see that getting together with old friends and associates and socializing takes precedence over all. That is as it should be.

At check-in all participants received and appeared to appreciate very much the gifts of a golf shoe bag with a suitable logo and a stainless steel water bottle with a crest of the Veterans' Association on it.

The afternoon of golf was followed by more socializing at the happy hour, and a half, prior to supper. The buffet of a half BBQ chicken with veggies and salads, dessert and coffee got quite a few compliments and went over well with all in attendance. All in all, the many compliments passed along as all headed for the exits at the conclusion of the evening indicated that the entire event came off without any major hitches and that everyone had a good time. That's

great!!! Hope to see you again next year!

Events such as this take on a life of their own, but not without an Organizing Committee, and Volunteers: Our success would not be possible without our SPECIAL VOLUNTEERS; Supersales Woman; BEVERLEY McCONNELL, (\$764.00 worth of draw tickets); LYN BITTNER and HELEN MacNEILL, checking in Golfers, assigning starting holes and giving out bags & bottles; ARLENE O'BRIEN, running and monitoring the HIT THE GREEN contest, (\$1220.00 from participating contestants); and, Gilles LaBelle, monitor for the Hole in One contest. Regrettably nobody got a hole in one. Way to go all!!!!

Participants of note were: Retired Commissioners Bob Simmonds and Phil Murray and their 4somes. Commissioner William Elliott and his 4some of Greg Peters, Bernie Corrigan and Bill Sweeney; belairdirect representative, Raymond Peddie, broke away from his busy schedule in Toronto to join us for the day, as did the Director of Family Services for Beechwood Cemetery, James Patterson and his 4some. Thank you all for joining and supporting us!

The 2009 Golf Tournament marks the end of a 5 year project undertaken by Ottawa Division Veterans: raising funds in support of The Royal Canadian Mounted Police National Memorial Cemetery at Beechwood.

As I understand it, over this time, these tournaments have raised up to \$50,000.00 for this worthwhile endeavour.

Again this year, the Organizing Committee deserves much credit and appreciation for their dedication, hard work, (at times), and relentless pursuit of success at this event. Their picture and names appear elsewhere in this publication, thanks to Gary Walkling. Also, there are other photos of the day that you will find enjoyable. As Chairman of the Committee, I offer SINCERE THANKS TO ALL, I couldn't ask for a finer group of people to work with.

From all Members of the Organizing Committee, and on behalf of President Al, the Executive Committee, and all members of Ottawa Division; along with our colleagues in the R.C.M.P. and at Beechwood Cemetery, we extend sincere thanks to: Our many SPONSORS for their generosity, especially in this current economic climate;

Our numerous PRIZE DONORS for their novel and valuable donations to the draw table.

Our GOLFERS -- without your participation and support, we wouldn't have had the great fun day that we all had at the 2009 Ottawa Vets Golf Tournament!

KINGSTON VETS BBQ

Ed Rockburne

At the invitation of the Kingston RCMP Vets Association, 32 members attended a BBQ located in a lovely setting at Maitland Ontario on the St. Laurence River, the home of the hosts, Richard and Judy Dickins. The weather couldn't have been better, and the BBQ was also attended by serving members, Supt. Jennifer Strachen, District Commander of North/Eastern Ontario, along with her fiancé, Ken. Also present were Sgt. Andy Harper, N.C.O. i/c Kingston Detachment and his wife Jeannine.

Comments from those attending were all very positive and personally, I found it to be one of the friendliest functions attended in some time, and look forward to next years' BBQ. and expect an increase in numbers, especially from the Perth contingent. Thanks to the Dickins for hosting the BBQ at their beautiful and historic home for the last five years. Photos of this event can be found on our website: www.rcmp-grcvetsottawa.ca/

BEV SHEA — 100 Years Young

Alex Geddes

Along with my wife, Beverley, representing the RCMP Veterans' Association Ottawa Division and Cpl. Richard Duval, Cornwall Detachment, we had the most wonderful and gratifying opportunity to attend this birthday celebration of Shea's Winchester homecoming and to honour a man for more than 50 years of service with the Billy Graham Crusade.

You may ask – Why would the RCMP Veterans' Association Ottawa Division be part of this centurion's celebration? Well the answer is mainly found with RCMP Veteran, Garth Hampson's ongoing connection/friendship, through music, to the Shea family for many years and the wonderful relationship Shea has had with Hampson, the RCMP and Shea's love and support of the RCMP all his life.

My purpose was to present Shea with a Happy 100th Birthday Certificate as approved by the RCMP Vets Association Ottawa Division Executive. The Certificate reads in part – (George Beverly Shea, Heartiest congratulations on the occasion of your 100th Birthday. The Ottawa Division RCMP Veterans' Association commends and congratulates you on your dedication and commitment to Canada and its ideals. To quote your favourite hymn... **“How Great Thou Art”**.) The Certificate is

signed by President Al Rivard on the 31st of July 2009.

Cpl. Richard Duval of the RCMP Cornwall Detachment attended in Red Serge and really added to the overall tribute to Shea. Duval assisted me in making the presentation to Shea on behalf of the RCMP Vets Association, Ottawa Division. Shea was totally in awe of the Red Serge.

The Salvation Army Band from Ottawa was in attendance and the Salvation Army TV Staff from New York City had the service broadcasted live between the Salvation Army Camp at Orchard Beach, Maine, USA via Skype on a giant TV screen which allowed us to take part in the service between Canada and the USA.

Shea's father was the Minister of the Winchester Wesleyan Church where Shea was born on 1st, February 1909 and he grew up in this community.

The weather provided a beautiful summer night and allowed the dual hosts Winchester Church and the Salvation Army to present this gala affair which became a two hour marathon of tributes. If you grew up singing the old hymns and some of the great Billy Graham Crusade

music it would have brought tears to your eyes. The church was packed and the congregation raised the roof with the anthem “Great Things He Hath Done” as Mr. Shea and his wife Karlene entered. Shea was escorted to the front and took a seat in a chair on stage. The Service was co-led by a Major from the Salvation Army and Pastor, Thurland Brown, Winchester Wesleyan Church.

The TV screen showed Shea in the corner with the bigger screen showing a senior Salvation Army leader from Maine introducing the purpose of this tribute and mentioned that the RCMP were honouring Shea as well. This gentleman stated that Shea was being honoured by the Salvation Army for more than 50 years of Christian Service with Billy Graham and he asked Shea if he would honour everyone in Maine and Winchester with a song. It was really quite amazing that this man who was born in 1909 was able to readily pick up the microphone and instruct the organist “key of “G” for Rose of Sharon”. He then sang another hymn and his voice is still very powerful.

Throughout the Service we were entertained by the Salvation Army Band in Orchard Beach, Maine and at Winchester by two lady soloists

(Continued on page 13)

along with an organ / piano recital. All of these entertainers were extremely professional.

Several presentations were made by Mr. Alvin Runnalls, Mayor of North Dundas, Salvation Army and ourselves. During my presentation, Shea said he would like to tell the story of his connection with the RCMP. He said he completed his application for the Force when he was 18 years of age. Prior to joining he had a tour of Parliament Hill with the Staffing Officer from the RCMP. He asked the Staffing Officer where he might end up after training, and, in response the staffing officer said with your size probably up north in some restricted tough RCMP Detachment. With that he thought a media career would be less stressful and the rest is history. He was thrilled with the Certificate. I gave him a RCMP Veteran's Pin and

told him to wear it with pride as it would make him an honorary RCMP Veteran.

I presented a gift to his wife Karlene on behalf of the Hampson family. Mrs. Shea, grabbed my hand and told me that George was so thrilled to be honoured by the RCMP Veterans and to receive this Certificate from the Veterans' Association as he just loves the RCMP. It was indeed gratifying to know that the RCMP is held in such high esteem by a World Class Singer as George Beverly Shea.

SEPTEMBER GUEST SPEAKER — GRETE HALE

September 8th, 2009

Ottawa Division had the pleasure of a notable guest Speaker, Grete Hale. Grete was introduced by Garth Hampson, and she is the President of the Beechwood Cemetery Board of Directors and was a long time friend of Bill and Nora Kelly. In fact she recounted an interesting story regarding the donation of the Grand Piano for the Sacred Place, by Bill Kelly.

In 2006 she was invested into the Order of Canada for her lifelong dedication to helping others. She has been awarded the Woman of Distinction—Mayor of Ottawa's Award for community service, YM-YWCA Lifetime Achievement Award, Canadian Women Entrepreneur of the Year Award—Lifetime Achievement Category, and Scouts Canada Foundation National Salute Award.

Her presentation was extremely interesting covering some history of the 18th Fraser Highlanders and her longtime friendship with Bill and Nora Kelly.
